

BECOME THE WORLD CHAMPION - BY FAIR MEANS OR FOUL

A realistic boxing simulation. You can even cheat... if the ref's not looking!

You're behind on points and time is running out. The ref looks half asleep. A quick head butt and a sly punch below the belt and your opponent is toppling over. But as he falls, his knee strikes you a paralysing blow. "Foul!" shouts the crowd, and your opponent is disqualified.

You've won, but in the next championship contest you meet a boxer who knows more dirty tricks than you. It needs skill and cunning, lightning responses and deadly strategy. Have you got what it takes to become the World Champion - By Fair Means or Foul?

Fair Moves	- Head Punch - Body Blow - Upper Cut - Duck Punch	Foul Moves	- Head Butt - Knee - Groin Punch - Kick
