Castle Wolfenstein™

World War II rages across Europe. Castle Wolfenstein is occupied by the army of the Reich and converted into battlefront headquarters. You have been captured and brought to the Castle for interrogation by the dreaded SS.

From a hiding place behind the stones of the dungeon a dying cellmate produces a Mauser M-98 pistol fully loaded with ten bullets and gives it to you. Your new mission: Find the Nazi war plans and escape Castle Wolfenstein *alive*.

Castle Wolfenstein™ is an action adventure game from MUSE demanding fast thinking and quick manual response. Use game paddles, joystick, or your computer keyboard. Castle Wolfenstein™ generates an unlimited variety of castle layouts, each more difficult to escape than the last.
