THE GAME

Where once the tiny cottage stood,
a mighty palace dwarfs the wood,
And there within the highest tower,
the witch queen wields her mighty power.
A rule of evil across the land,
with ghosts and gargoyles close at hand,
Her enemies destroyed this night,
yet one remains to set things right,
A pumpkin warrior, brave and good,
the last survivor from the wood,
So now go swiftly, climb the stair,
and cut a lock of the witches hair,
Seek out then, the cauldron black,
and brew a spell to change things back.
Then the hag will know defeat,
and thy revenge will be complete.
