THE GAME

(as translated from the French by C. A. Havelock)
The life of a cockerell, it is not always so very nice. He has to defend the chicken house against his insatiable enemies. And he must eat to keep up his strength so that he is able to honour the requests of Madame.

Never forget that a gallant visit can leave you powerless to fight the hedgehogs, rats, stoats, snakes and other terrible beasts that are so fond of the œufs. You can replenish your energy from the grain store in the chicken house.
