CHUCKIE EGG 2 (CHOC CY EGG)

Our intrepid hero "Hen House Harry" of "Chuckie Egg" fame, has been called in to help a "Chocolate Egg" manufacturer sort out his automated factory, which has gone haywire. Harry, using all the skills he acquired working in the Hen House must get the wheels of industry moving.

Not only does Harry have to collect the ingredients to mix the eggs, but he will also have to collect the parts for the toys that go inside the eggs.

As if all these problems were not enough there are a number of other items that Harry will need to find and use to be able to complete the task. Things like ladders, bits of girders, keys and many more.

Chuckie Egg 2 contains 120 screens, plenty of surprises, and is a true Arcade/Adventure game - you don't just find things, you actually move them and use them!!
