Circus CHARLIE™

THE GREATEST SHOW ON DISK!

Always wanted to join the circus?
Here's your big chance, Charlie.

Under this Big Top, you're a regular one-man show. Jump your pony through hoops. Walk the tightrope. Hit the trampoline. And don't forget the Flying Trapeze.

And you're not just clowning around. There's big money on each stunt. Bonus bucks, too. P.T. Barnum sure never paid like this. Of course, Tom Thumb never had to work like this, either. Keep at it long enough, and maybe someday you can buy the circus. In the meantime, remember: The Show must go on!
