

Commodore 64  
 Light Fingers Lonegan is robbing the Acme Diamond Company, the world's largest suppliers of uncut gems. The police are inside the office block, slowly combing each floor. Can 'Fingers' find all the diamonds and get back to his car or will he be captured, or even worse, end up in the morgue?  
 8 screens of machine code action.  
 Joystick Required.

## Cops 'n' Robbers

COMMODORE 64

### LOADING:

To load, hold down **SHIFT** and press **RUN/STOP**. Press **PLAY** on your cassette recorder and the programme will load automatically. *(The programme is recorded on both sides of the tape, in case of difficulty, turn the tape over, rewind to the beginning and load again).*

### PLAY:

Select difficulty level F1 – F7 (F1 being the hardest). Explore the Acme Diamond Company and collect the gems from each floor. You will even find some on the roof. Naturally the best diamonds are in the mines but there is a rumour that the mines are haunted. Get the diamonds back to your car for extra points and at the same time, collect more bullets.  
 Can you find the key to open the door to the roof?  
 Can you crack the combination safe?  
 Can you find a torch to explore the inner mine?  
 Will you be captured, or even worse, killed?

**GOOD LUCK – YOU WILL NEED IT.**
