for evil. Now they want to destroy human beings - instead of putting hub-caps on new cars.

Needless to say, it's up to you to destroy these haywire hybrids.

DON'T BE FOOLED BY THE FLESH-TONE. If it's pasty-

faced, it's after anything that's pure biology. Take another

freedom fighter down the manhole with you, or go solo. Just

Junkyards are for junk. Recycle that robot.

Here's the plan:
1) Plant bomb. 2) Boogie.

Don't wait around for a clash with a cyborg. Remember, you're only human.

Bombs away. Now Meet Dr. K.

see to it that all the bombs are set in all the right places. Then

scram before they go off. Move onto more hostile sectors, where

corners get darker and more dangerous. You have machine guns

and full brain capacity on your side. The cyborgs only have

half-a-mind, but a sinister set of software to eliminate you.
