CRIME TIME

Screenshots Atari

You wake up in a room and don't remember how you got there. You are sure though you have been drinking quite a bit, but how all this happened. Last night you were in this hotel and the finger is pointed at you. You know you're innocent but somehow you got out. The clock is ticking away

dirty little hotel remember how you got there that you must have been there you just can't remember there was a murder in this hotel. You are not guilty though. You have to prove it before time runs out. The ultimate crime adventure.
