SIERRA VISION

They have landed and are taking over the city. Steadily they make their way across town, destroying everything in their paths. The town has been evacuated, and your regiment has retreated, leaving you alone in the city at the mercy of the aliens.

The aliens have you surrounded, and laser shots fly from all directions. Your movements are confined but you haven't given up. If you are to live, you'll have to concentrate on where the shots are coming from and where you're going because if you don't you'll get caught in the CROSS FIRE.
