FORGOTTEN REALMS

TSR
TSR, Inc.

Fight to control your own destiny.

After you saved the entire city of Phlan and located the Pool of Radiance, a simple trip to Tilverton should have been as easy as a noon-day stroll. But it wasn't...

Ambushed, captured, and knocked unconscious, you awake with no idea who attacked you or how you arrived in Tilverton. You only know that five azure-blue symbols are imprinted just under the skin of your right arm.

The mystical power of the azure symbols ensnares your will like metal bonds! And when the bonds glow, you must do as they command. No magic dispels the bonds and no cleric's prayers remove them.

Your only hope: search the Forgotten Realms for members of the alliance who created the bonds and regain control of your own destiny. Only then can you be free of the Curse of the Azure Bonds.
