NEW RELEASE

MEGA GRAPHICS

Puff lives on an island with all his ravin' mates. Unfortunately the evil dictator Captain Kripp (BOO HISS) has banned everyone from having a good time. He's ordered his gorilla army to go and nick all of DJ's fabby CD collection and chuck them to the four corners of Volcano Island. This has made Puff go bonkers in fact he's gone RAVIN' MAD. He parks up his bike and goes off to grab his CD collection back.

Captain Kripp is going to be well sorted after Puff's finished with him!
