*A Nightmare
Comes True!!*

"Well, kid, you really stepped in it this time! Either you're bein' framed for a murder or you really iced the guy, but if I was you, I'd get outta town. 'Course I ain't you, and you ain't got my sense. Knowin' you, you'll try ta figure it all out. Jeesh, some guys never learn. Do ya really think ya got a chance with the cops, the mob and who knows who else all after ya? Well good luck, pal. Oh by the way, did I mention that ya don't even remember who ya are?"

Enter *Déjà Vu*, one of Mindscape's interactive graphic adventures. They're games which draw you into the action. There are no cumbersome commands to type, no guessing what the computer wants. You are totally free to explore and manipulate the deeply textured world created by close to a megabyte of detailed graphic imagery. *Déjà Vu* is like no other adventure you've ever experienced.
