DOUBLE DRIBBLE®

**The Ball Is In Your Court,
And It's Time To Play A Little 5 On 5!**

Ranked number one by the scouts, this world championship caliber, 5 on 5, full court, board banging contest has graphics so real it'll knock your high tops off!

From the opening tip to the final buzzer, you'll have a shot at leading your team to the title against either a friend's squad or the computer's all-star lineup.

With electricity in your fingers and ice in your veins, the game is yours to win or lose. But to win, you'll need speed in the lane, touch for 3 pointers, muscle to power past picks and the skill to crash the glass.

And if you break free underneath, you can power home one of three rim rockin' slams — the Reverse, the Gorilla or the In-Your-Face Jam.

Of course, if your style is too intimidating, the refs will blow the whistle and give your opponent a couple of "Free-Bs."

So pull up your shorts and take a deep breath. It's crunch time, time to show your stuff.

**Featuring simultaneous play for
2 players, or play against the computer.**
