# DragonLance™

**This first-ever dragon combat simulator lets you fly the mighty dragons of Krynn into fierce combat!**

The War of the Lance has begun! The vile Dragonarmies are on the rampage and evil dragons cast long, dark shadows across the lands of Ansalon.

All hope for victory lies with the Solamnic Knights, those brave fighters who ride into aerial combat on the backs of their trusty, powerful steeds — the good dragons of Krynn!

But time is short and Evil is spreading. To the skies brave knight — and victory!
