DRAGONS DEN

Enter a world of fearless knights, majestic winged horses, and sinister dangers as you invade DRAGONS DEN! Your quest pits your knight and his mount against fantastic creatures, and ultimately, a showdown against the powerful dragon.

Lure the deadly prehistoric pterodactyls blocking your entrance into the Dragon's mountain away from their posts for an airborne clash to complete the first step of your quest.

Face the challenges in the darkened corridor as you advance to the heart of the mountain... elude the deadly spiders... fight your way through swarms of bats... avoid the barrage of spears... to survive to enter the dragon's den!

Defend yourself against unpredictable bat attacks in the fire of the den... hatch the dragon and do battle with the fearsome beast. CAN YOU SLAY THE DRAGON?

This cartridge may only be used with the Commodore 64 system.
