Drol™

Humor, Action and Suspense For the COMMODORE 64 DISK VERSION

Enter the funny, challenging and suspenseful dream world of Drol—where a little red-haired girl and her propeller-beanied brother await your rescue. They have been lured by a witch doctor's curse into the multi-leveled ruins of a lost civilization. Mesmerized, they wander aimlessly through the scrolling underground corridors, oblivious to the dangers around them.

It's your task—as a hero equipped with a rocket backpack and full-screen radar scope—to dodge hopping scorpions, monsters and snakes, flying turkeys, swords, daggers, arrows, magnets, witch doctors, and vacuum cleaners(!) in your attempts to reunite the children with their mother.

Drol's wry sense of humor and amazingly detailed cartoon imagery make this game a charmer!

- An arcade action game
- Many levels of play
- Joystick controlled
- Includes victory cartoon!

This program is fully guaranteed. If it ever fails to boot, return the original disk to Brøderbund for a free replacement. If the disk has been physically damaged, please include \$5 for replacement.
