DUNGEONS OF BA

"The legend of the fabled Ba stone has attracted many a courageous adventurer... and the dungeons that hold the secret of the stone have swallowed them all!!"

For thousands of years the puzzle has remained unsolved. But you are a new breed of adventurer — intelligent, strong and resourceful. You accept the challenge! As you descend into the forbidding subterranean caverns, the ancient ruins collapse, destroying your only known exit — there's no turning back now!

The dangers are many — traps, secret rooms and the ever present Guardians of the Stone. You must solve the puzzles of the dungeons, fight real time battles, gain experience and conserve your energy while desperately trying to recover the Stone.

This is not a challenge for the weak of heart!!

This is a real-time action adventure game

The clues and puzzles must be solved as you move through the different chambers and fight battles in real time.

The action is continuous! The graphics spectacular.

Truly the ultimate challenge for any computer player!!
