

A full-length illustration of Elvira, Mistress of the Dark, standing on the left side of the cover. She has long, dark, wavy hair, heavy black eye makeup, and red lipstick. She is wearing a black, low-cut, long-sleeved gown with a high slit revealing her right leg. A small dagger is tucked into a belt at her waist. The background features a fantastical landscape with a large, ornate castle with multiple spires and towers situated on a rocky island in the middle of a body of water. A bridge connects the island to the mainland. In the background, there are snow-capped mountains and a waterfall on the left. Bare, gnarled tree branches hang down from the top of the frame. The sky is a gradient of yellow and orange.
