FANFARE

EYE OF HORUS™

Assume the powers of royal divinity in the magical realm of ancient Egyptian

mythology. As Horus

legendary wife, Isis —

rightful position has

slain your father, scat-

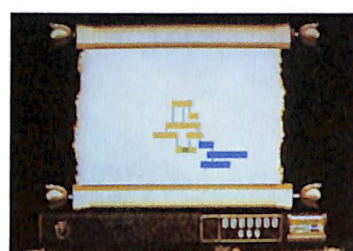

king.  In a labyrinth deep beneath the scorching Sahara sands, tainted hieroglyphs

come alive to guard dark passageways. Gods metamorphose

into serpents and dragons. Even you, Horus, can turn into a

hawk.  You'll search the catacombs for remains of your

father. For magic keys. And for the sacred amulets you'll

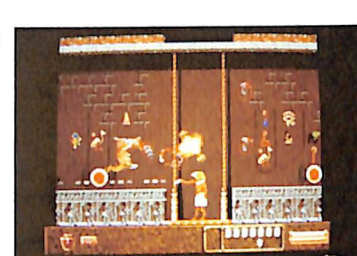

An on-screen, self-mapping option lets you see where you are. And where you've been.

— son of the god-king, Osiris, and his

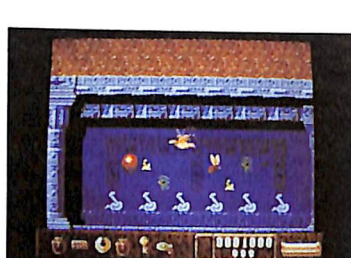

you are heir to the throne. But your

been usurped by the vicious Set. He's

tered his remains and claimed himself

To defeat Set, summon all available powers — yours, your ancestors' and those of the sacred amulets.

As a hawk, with the gift of flight, you can outpace the blood-thirsty minions of Set.

need to confront the wrath of Set.  So go forth now.

Avenge your father's death. And reclaim your birthright: a

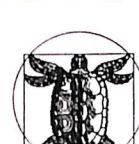

seat on the throne of Ancient Egyptian divinity... But first

you must fight for it. • **Cutting-Edge Arcade**

Action • Exotic Egyptian Graphics

• **Unique Self-Mapping Option**
