The Combat Fighter Simulation

F-15 Strike Eagle is a faithful simulation of the world's most advanced fighter plane.

You're in the ejection seat. Get ready to enter the dangerous world of modern electronic warfare.

F-15 offers continuous challenges and excitement as you go on dangerous combat missions around the world.

Defend yourself against heat seeking missiles, radar-guided missiles and enemy aircraft. You'll have realistic flight, weapon and information systems at your fingertips. Yet, in spite of these sophisticated aids, survival depends on you.

It depends on how well you analyse and respond to tactical situations. And on your judgement, skill and courage. Have you got the ability to outfly, outfight and outthink the enemy?
