MASTER

FEUD

A MEDIEVAL BLEND OF WIZARDRY AND ARCADE ACTION

Deep in darkest medieval England two powerful wizards are about to go to war. All over a dead donkey and a live frog. This is role-playing with a vengeance! Just make sure it's yours, not his. Lend Learic a hand in a spellbinding battle of wit and wizardry, as you play the part of a beleagured 16th century artisan...

ENGLAND: 1500 (AND A BIT!)

"No one knows 'ow long they have been 'ere; even old Albert don't recall 'em comin' an' 'e reckons 'e might be over 'undred! We didn't mind when they kept themselves to themselves. I mean, all we want is a bit o' peace an' quiet an' leave to go about our business. We're simple folk 'ere in Little Dullford and we can't be doin with magic an' spells. I never did 'old with folk meddlin' in things best left alone. We'd see 'em o' course; in the forest pickin' toadstools an' suchlike, or p'raps one would pop into Tubby Hiekes shop for 'erbs an' stuff, but by an' large they left us normal folk alone, and that's 'ow we like it.

They'd 'ad arguments before, we all know that. Well, readin' them magic books all day they can't be right in the 'ead can they? Anyway, two summers back, or maybe three (I remember because that was the year Albert's donkey died), old Leanoric (he's the older one I think), he turned 'is brother Learic into a frog! His own brother! but he turned 'im back after a week an' at least they didn't bother us.

Two weeks back, all this changed; first the forest went quiet for a few days, not even a sparrow dared to make a sound. Then the noises began, first shoutin' then all manner o' bangs, explosions and things best not thought about. Yesterday, old Leanoric upped an' left an' moved to another 'ut on t'uther side o' village. Hieke (Who knows 'em better'n most), reckons they's about to start a feudin' an' woe betide the poor soul who gets in their way."

Full instruction booklet including maps inside.

JOYSTICK REQUIRED

TO LOAD: Set up your computer according to your computer manual. Insert disk into drive. Type LOAD "★". 8. 1 (press the RETURN key). The game will then load and run automatically.
