CHARACTERS IN TOROT

As well as ghosts which Sir Galaheart must dispel, there are a host of characters for him to meet and trade with. The Peasants know the villages and forests well, although they are often slow-witted. Travel may be arranged by paying the Gatekeeper at a Toll House or by buying a Timescape spell from a Herbalist or some other magic character. The Time Wars Keepers will keep objects safe and sound.

The Witches and Wizards have spells available, and the Dragon's teeth may be of use. Weapons can be obtained

from from the Knights, and the Wise Old Man is a useful source of information, as is the Hermit who is rumoured to live in the forests.

The Bishops tend to be quick and greedy, so it pays to not to try and and cheat them. Justice is administered by the Reeves, who may be helpful if treated with respect. Princess Eleanor is held captive by the Evil Queen and she may look kindly on those who are trying to free her.
