

NOBODY EVER SAID IT WOULD BE EASY...

Trapped deep in enemy territory, you've got to fly your P-40 on a top secret mission through hell. The skies are thick with a deadly rain of armor-piercing artillery fire. They chose you for one reason. You're the best there is. Now you know the score, so aim right and fly tight. The skies are anything but friendly tonight.

SKY SHARK

COMMODORE C64/128

Requires: joystick

C128 in C64 mode

CR

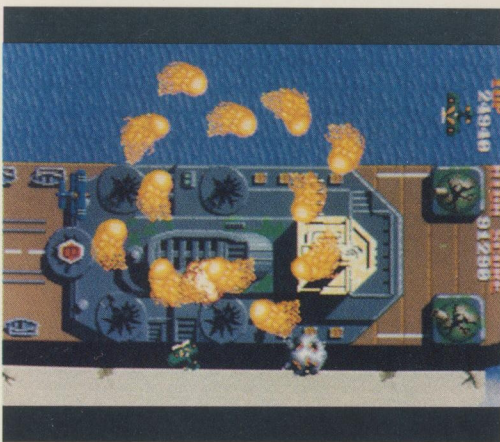

STRAP IN FOR THE FLIGHT

OF YOUR LIFE. Take off on an incredible World War II fighter mission that challenges your pilot skills and nerve. You'll go behind enemy lines and try to save your buddies from a terrible fate. The odds are against you, but that never stopped you before.

Sky Shark game features include arcade quality graphics, full range sound effects and multiple levels of play.

(Above screens must be turned sideways for correct view)

Taito is the world's largest manufacturer and operator of arcade games. We practically started the video game revolution with our classic hit, *Space Invaders*™. Since 1953 Taito has created more than 1,000 other great action games for arcade and home play.

Now Taito brings that same excitement and pioneering spirit into your home with such games as *Sky Shark*™, *Rastan*™, *Renegade*™, *Alcon*™, *Arkanoid*™, *Bubble Bobble*™, *Operation Wolf*™, *Gladiator*™ and more to come on software formats for your Commodore, Amiga, Atari, IBM and Apple computers.

Taito games are more than just fun. We bring you games that test your nerve and challenge your strategy—games that make you laugh and put you on the edge of your seat. Taito brings you adventures that take you to places you've never been before—to brave new worlds of imagination and fantasy. After all, isn't that what great video games are all about?
