

FORTAPOCALYPSE

NOVA LOAD

Play this multi-level extravaganza three different ways. You and your chopper must bomb and fire on vile enemies, navigate hazards like deadly laser rooms and hyper-energy chambers, rescue 18 trapped friends – and make your way through the most demanding, maddening set of caves ever devised. Super graphics, unnerving sounds, constant scrolling, plus randomly placed dangers so the game is always new. You can't really learn **Fort Apocalypse**. Just hold on to your joystick, practice – and hope!
