
GAUNTLET™

THE DEEPER DUNGEONS

Deep below the bottom of the lowest dungeons lie still more horrific levels. Access to these Deeper Dungeons is now possible...if you dare.

What You Need

- Atari® 800™, 800XL™, 130XE™, 65XE™, or Commodore 64™ or 128™ computer
 - Single disk drive
 - Monitor or TV (color recommended)
 - One or two joysticks
 - Your original *Gauntlet* program disk
-

Loading Instructions

Atari

1. Make sure a joystick is plugged into port 1 of the computer.
2. Turn on the monitor or TV and the disk drive.
3. Insert *The Deeper Dungeons* disk into the disk drive and close the disk drive door.
4. Turn on the computer. The program will load into your computer's memory. Follow the on-screen instructions when prompted to insert your original *Gauntlet* disk.
5. When you see the prompt "INSERT DEEPER DUNGEON DISK PRESS START," remove *Gauntlet* from the disk drive and insert *The Deeper Dungeons* disk into the disk drive. Close the disk drive door and press START.
6. Next, press the joystick fire button. In a few seconds, you'll find yourself transported to the Deeper Dungeons.

Commodore

1. Make sure a joystick is plugged into port 1 of the computer.
2. Turn on the monitor or TV, the disk drive, and the computer.
3. Insert *The Deeper Dungeons* disk into the disk drive and close the disk drive door.
4. Type **LOAD***, 8,1** and press RETURN.
5. In a few seconds, an on-screen prompt will appear. Follow the on-screen instructions to remove *The Deeper Dungeons* disk from the disk drive and insert your original *Gauntlet* disk into the disk drive. Close the disk drive door, and then press the joystick fire button.
6. In a few more seconds, another on-screen prompt will appear. Follow the on-screen instructions to remove the *Gauntlet* disk from the disk drive and insert *The Deeper Dungeons* disk into the disk drive. Close the disk drive door, and then press the joystick fire button. You'll find yourself transported to the Deeper Dungeons.
