

GHOSTS 'N GOBLINS

TM

Arcade

The Gallant Knight armed with 5 different weapons, must storm seven heavily guarded gates to rescue the Princess from the evil clutches of Astaroth!

The fair Princess is kidnapped! Her betrothed, the Knight in shining armour, armed with five different weapons to defeat the enemy, sets out to rescue his beloved. The Knight, aided by your skill, must storm seven heavily guarded gates, destroying Demons, Dragons, Giants and Zombies.

Ghost 'N Goblins is exciting arcade action, challenging you and the

Knight to rescue the fair Princess, amidst great danger, from Hades, the domain of your enemy.

Watch out for...
Zombies infesting the cemetery.
The Demon General guarding the first gate.
The Dragon guarding the third gate.
Weapons in the enemy's pots.
Giants roaming the area.
Flames erupting from the sea of fire!

Ghosts 'N Goblins originally published by Elite Systems in 1986 based on the Capcom arcade game.
This enhanced Commodore 64 version was developed in 2015 by Nostalgia.
