Archery

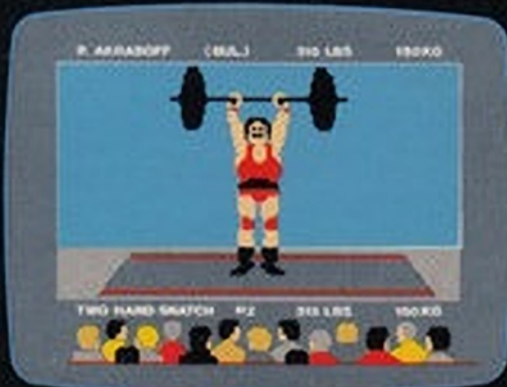

For Commodore 64

Contains one Diskette/Joystick required

Let HESGames coach you to top athletic form. The gold may be your ultimate goal — but you'll find the fun is in training to win. **Licensed from 3-2-1 Software.**

Diving: Realistic sports simulations demand split second timing.

Weightlifting: Strive to break actual world records in each event.

100M Dash: Compete with a friend or against your previous personal best.

Long Jump: Use instant replay to study your technique.

Archery: Test your confidence and accuracy under the pressures of world class competition.

Hurdles: The events require the same competitive strategies as the actual sport.
