

GOBLIN TOWERS

by

Classic Quests

Somewhere in the centre of a huge forest lies an old castle. Legends and rumours about it abound, for it has been standing for many centuries, and there are said to be great riches hidden in the depths of the castle. Though many adventurers have gone in search of this wealth, some have disappeared without trace, and the rest have failed to discover the exact whereabouts of the castle. Perhaps there is some truth in the legends which tell of a hideous beast which guards the treasures of the castle.

GOBLIN TOWERS is rated as a moderately difficult adventure, and is recommended for beginners. Available for Commodore (PET, 64, 128, Plus 4), Amstrad (CPC, PCW, PC) and IBM PC compatibles.
