

A dramatic movie poster for 'The Goonies'. The scene is set in a dark, cavernous environment with jagged rock formations. In the upper center, a large, menacing skeleton is perched on a high, spiky rock structure. Below it, a group of six children are in various states of action: one girl is jumping towards the skeleton, while four boys are running or falling on a narrow, crumbling ledge. To the right, a boy in a dark coat and hat stands on a rock, looking back with a shocked expression. The overall color palette is dominated by warm, earthy tones like browns, oranges, and yellows, contrasting with the cool blues and greys of the cave walls. The title 'THE GOONIES' is prominently displayed in a large, stylized, maroon font with a skull icon in the letter 'i'. The 'Datasoft' logo is in the bottom right, and the name 'WINTERS' is in the bottom left.

*"I will never betray my Goon Dock friends,
We will stick together until the whole world ends,
Through heaven and hell and nuclear war,
Good pals like us will stick like par.
In the city or the country or the forest or the boonies,
I am proudly declared one of the Goonies."*

Take the Oath and re-live the adventures of Mikey, Brand, Chunk, Mouth, Data, Andy and Stef, the intrepid Goonies!

Intricate, Rube Goldberg style mazes provide the challenge in eight exciting screens inspired by scenes from the Steven Spielberg movie. Deadly bats, demonic flying skulls, and poisonous slime are just a few of the perils to avoid while figuring out how to coordinate the movements of the characters to solve the puzzles and outwit their adversaries.

Each screen features two of the now world-famous Goonies. And the final adventure includes the awesome Sloth. It's impossible to get through any screen without creatively using both the characters featured in that screen.

From the Chester Copperpot Chamber to the final battle on the Pirate Ship, the tasks become more and more intricate and challenging. It's up to you to help the Goonies elude the evil Fratelli gang and save their homes from foreclosures.
