The Helicopter Simulation

Gunship is a highly accurate simulation of the AH-64 Apache, one of the most advanced warrior helicopters. You're the pilot. Experience the thrill and excitement of attack helicopter flying.

Go on challenging missions to combat hotspots around the world. Each one is dangerous, each one demanding.

As outstanding 3-D graphics put you in the middle of the action, you'll use the same flight controls, instrumentation and weapon systems as real AH-64 pilots. And you'll have excellent flying manoeuvrability to race low and deadly, hover, sideslip, fly backwards, rotate, or go into a screaming powerdrive.

Yet, to accomplish each mission you'll need to use your intelligence and judgement. Even your cunning. Have you got the nerve to climb into the cockpit?
