THE HAPPIEST DAYS OF YOUR LIFE

THE GAME

You've really done it now! If you hadn't been so obtuse, suspicion would never have cast its ugly shadow over your fat head! Assuming you don't want to be expelled for theft, you had better get cracking and find the Headmaster's wallet. Some pictorial proof of your innocence would help your case. As long as you don't succumb to those end-of-term blues, and keep your strength up, you may yet survive to see in the new term. Your best bet would probably be to map your way to the secret passage, turning over a new leaf en-route. Don't fall in the water, keep your eyes peeled for clues, and DON'T do anything illegal. Good Luck!!
