HELTER SKELTER

Bug-eyed monsters everywhere — infesting a technicolour labyrinth with 80 challenging levels. Only Billy the Ball can save the day — by bouncing around the screen squashing the monsters, snatching the special tokens that appear, and collecting bonuses. If Billy can't manage all by himself a second player can take control of his cousin Bobby. Now it's even more fun — do Bobby and Billy co-operate, or do they compete? Do you play fair, or do you double cross? You can even design your own levels using the screen editor — make them as hard, as simple, as much fun as you like!

Helter Skelter is quite simply one of the most addictive and playable games of all time. But don't just take our word for it — read what reviewers have said:

So wonderfully frustrating it hurts . . . Heaps of addictiveness

ST ACTION

The gameplay has that special addictive quality that makes a classic arcade game

ATARI ST USER

An excellent game, which compels you to see just one more screen

THE GAMES MACHINE

A perfect little game . . . simple yet addictive

YOUR AMIGA

Highly acclaimed . . . a good old-fashioned mega-addictive, well-hard game

ZZAP

A very jolly game indeed . . .

C & VG Hit!

- 80 challenging levels guarantee hour after hour of fun
- Addictively simple — and simply addictive
- One or two can play simultaneously
- Design your own screens for unlimited variety — save them to disk/tape to try on your friends
- A classic blend of puzzle and arcade action — from the team which created *E-Motion* and *Pipemania*
