'The best adventure game ever written. You make new discoveries each time you play it.' MICRO ADVENTURER

'A superb adventure. You will be captivated, elated, frustrated but never bored. The Hobbit will give adventure fans many hours of brain-racking fun.' SOFTWARE TODAY

'The Hobbit is, and will remain the best and most sophisticated adventure. Holds superiority over other adventures. It is very long and totally absorbing – a classic.' CRASH

'Nothing is certain in this Adventure, but uncertainty! Add to this the brilliant graphics that are used to describe many of the locations and we have an Adventure that is going to become a classic.'
POPULAR COMPUTING WEEKLY

'A most impressive package.' DAILY EXPRESS

'This program is pure excellence.' GAMES COMPUTING

'The most unique factor of this program is that the user instructs the computer in completely ordinary English sentences. The Hobbit program is capable of very sophisticated communications.' ZX COMPUTING
