HUNCHBACK

Its program code, graphic representation and artwork are the copyright of Ocean Software Limited and may not be reproduced, stored, hired or broadcast in any form whatsoever without the written permission of O.S.L. All rights reserved.

The object of the game is to rescue Esmerelda from her castle stronghold, avoiding all the obstacles in Quasimodo's path. The program runs on the Commodore 64 machine.

LOADING

Position the cassette in Commodore tape recorder with the printed side upwards and make sure that it is rewound to the beginning. Ensure that all the leads are connected. Press the SHIFT key and the RUN/STOP key simultaneously. The screen message should appear "Press play on Tape". The program will now load automatically. When loading is complete follow screen instructions.

PLAYING

QUASIMODO must rescue the imprisoned Esmerelda from the castle stronghold. Jump along the Ramparts, swing over the Fiery pit, dodge the Arrows and Fireballs and remember to keep ahead of the chasing Knight. 15 Screens of fun and excitement and each one more difficult than the last.

HUNCHBACK

STATUS AND SCORING

On screen scoring shows number of lives, current score and bonus score; points are awarded for each completed screen and the bonus builds up if no lives are lost. Hall of Fame feature for best score.

CONTROLS

Game is controlled by Joystick or Keyboard.
