

If your disks or cassette do not work, you may return them to the place of purchase, or you may return them to Palace Software. Returning to us may help us isolate a problem or bug more quickly.

If you return them to us, please do not send all the packaging. Return only the disks or cassette to:

**PALACE SOFTWARE LTD
THE OLD FORGE
7 CALEDONIAN ROAD
LONDON N1 9DX**

Please do not forget to include your name and address, the computer and model number. Describe any peripherals (drives, cartridges) that you have attached to your computer. If you know the approximate age of the computer or version of the operating system, this may help too.

Please describe the problem you are having as clearly as possible.
