IVAN 'IRONMAN' STEWART'S SUPER OFF ROAD

This direct translation of the #1 arcade hit is packed with enough rough and tumble racing excitement to turn you into a lean, mean off-road machine.

- RACE UP TO 3 PLAYERS, A MIXTURE OF HUMAN AND COMPUTER, SIMULTANEOUSLY
- GO WHEEL-TO-WHEEL ON 8 DIFFERENT SWERVIN', CURVIN' STADIUM TRACKS
- TRADE IN WINNINGS FOR ACCESSORIES AT THE SPEED SHOP TO IMPROVE YOUR CHANCES AT VICTORY

Shake, rattle and roll your way through mud holes, jumps, match-offs and spin-outs in the closest thing to genuine short-course racing you'll ever experience!

Screen shots from the Amiga version.
