Jack Nicklaus Course Sheet

It's important that you don't lose this sheet because you need it to play the game. When you choose one of the three courses, an overhead view of 1 of the 54 golf holes on your Course Disk appears on screen.

To pass this screen:

1 Study the hole that appears on your screen.

2 Type the number (1 through 54) beside the illustration on your Course Sheet that is identical to the hole on your screen.

If you lose your Course Sheet, please send us $15 and we can send you another copy. If your sheet is somehow ruined, please *send us back the remains* and we'll give you a new one.
