

KNIGHTS OF THE DESERT™

In the year 1096, knights in shining armour set out on the first Crusade, marching across Asia Minor to reach the Holy City of Jerusalem and free it from the invading Turks.

Nearly a millennium later, in 1941, a similar scenario would be played out. This time, Crusader tanks of Great Britain rolled across the broiling sands of North Africa to repel invaders of a different sort – the armoured forces of Nazi Germany.
