# KUNG-FU MASTER

You are a master of the martial arts. Quietly confident that your skills will allow you to overcome any challenge. Even the greatest challenge of all — **THE WIZARDS TEMPLE!!**

Remote and heavily guarded, the temple is a fortress never before defeated. You must avoid demons, dragons, snakes and killer bees while doing battle with the wizard's armed henchmen on each of the five floors of the temple.

Beware lapses of concentration — you must defeat all of these deadly guardians and more to advance to the next floor.

Failure is out of the question — the wizard holds the princess captive, and only you stand between her and an uncertain fate.

The one thing you can be certain of is non-stop martial arts action with Kung-Fu Master.
