

LOADING INSTRUCTIONS:

LEADER BOARD

- (1) Plug a joystick into joystick port #2 (rear port).
- (2) Turn on the disk drive, monitor and computer.
- (3) Insert the *Front Side* of the disk.
- (4) Type Load "",8,1 and press <RETURN> . If you have a Mach 5 or Mach 128 Fast Loading Cartridge, simply type <←> .

TOURNAMENT DISK #1

The Tournament Disk contains 4 courses which are more difficult than the courses found on Leader Board. To load:

- (1) Load and run Leader Board in the usual way.
- (2) When the 'Select Number of Players Screen' is displayed, remove the disk and insert the *Back Side* of the disk into the drive.
- (3) While holding down the shift key, press <RETURN> . The new courses will be loaded into memory, overwriting the existing courses.

NOTE: To reload the original courses, repeat the procedure from Step 3 using the front side of the disk.

EXECUTIVE TOURNAMENT DISK

The Executive Tournament Disk features two courses with trees, sandtraps and rough for increased realism. To load:

- (1) Plug a joystick into joystick port #2 (rear port).
- (2) Turn on the disk drive, monitor and computer.
- (3) Insert the *Back Side* of the disk.
- (4) Type Load "",8,1 and press <RETURN> .

LOADING OTHER COURSES

Once an *Executive Tournament Disk* course has been loaded into your computer, you can have only 1 course in memory at a time. If you wish to play a different course, you must load it from disk and only courses from an *Executive Tournament Disk* may be used.

TO LOAD A NEW COURSE FROM THE SELECT NUMBER OF PLAYERS SCREEN

- (1) While holding down the shift key, press < RETURN > . The prompt 'INPUT COURSE' will appear. Type 'A' or 'B' for the course you wish to play.

NOTE: A 'LOAD ERROR' prompt will appear if the load has not been done correctly. Make sure you have the correct disk properly inserted in the disk drive and repeat the procedure.

TO LOAD A NEW COURSE BETWEEN ROUNDS

- (1) When the scoreboard is displayed at the end of a round, press the joystick button.
- (2) At the prompt 'NEW COURSE Y-N' Press 'Y' to load a new course. Enter course 'A' or 'B' at the prompt 'INPUT COURSE'. Press 'N' if you wish to play the same course again.

NOTE: If a 'LOAD ERROR' is detected, the 'NEW COURSE Y-N' prompt will re-appear. Make sure you have the disk properly inserted in the drive and repeat the load procedure.

If the programs fail to load or lock up during play, follow the instructions in the Trouble Shooting Section of the Leader Board Manual.

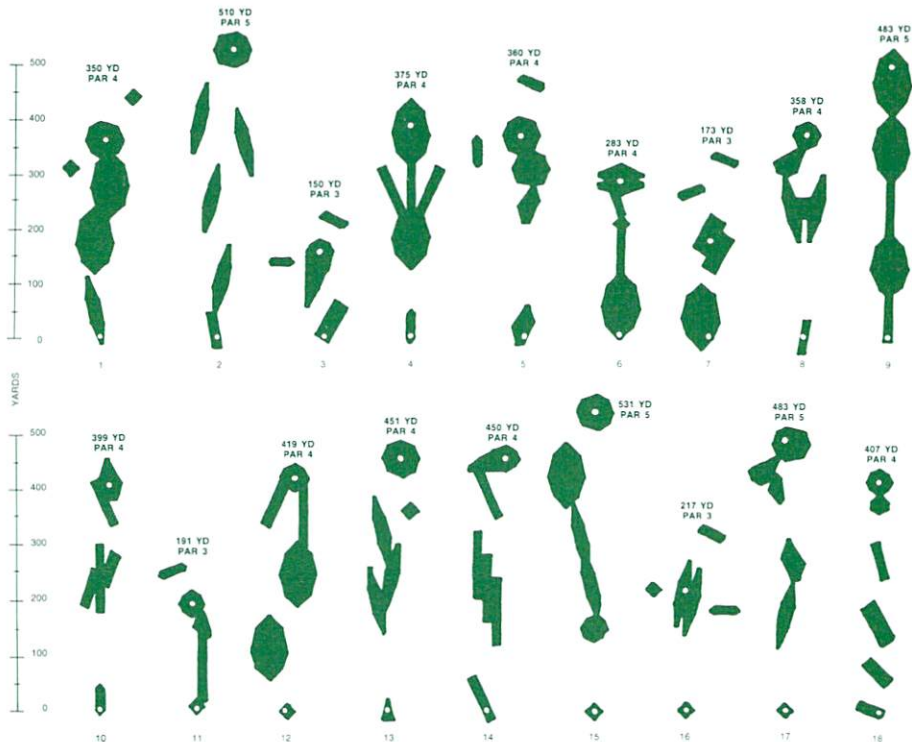

If the program still fails, perform the following:

- (1) Insert the front side of the Triple Pack Disk.
- (2) Type: LOAD "CHECKER",8 and push < RETURN > , then type: RUN < RETURN > .
- (3) Follow the on screen instructions.
- (4) Insert the back side of the Triple Pack Disk.
- (5) Repeat steps 2 and 3.
- (6) If "Disk Okay" was displayed after both front and back side checks, then the Triple Pack Disk is not defective. If "Disk Okay" was not displayed after both front and back side checks, then you may have a defective disk, and should call us at (801) 298-9077.

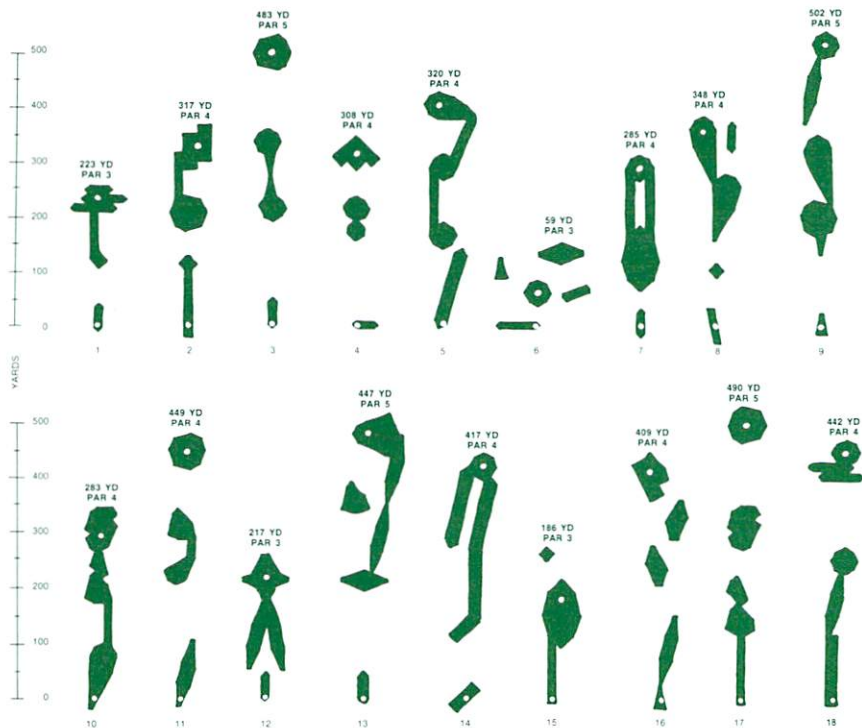

Courses shown in the insert are those found on the Tournament Disk and Executive Disk. Leader Board courses are shown at the back of the manual.
