TIME

Little Puff's Mum had told him not to wander too far from home. But one day he couldn't resist the temptation to go off and explore the mysterious world that lay beyond Dragon Land. After a while he was hungry – but he was too little, and not fierce enough to catch anything, so he ran huffing and puffing his way back home for dinner. But his way was blocked by a ferocious guard demanding a pass. What could Puff do – he had no pass! This is where you come in . . .

. . . you must help Puff find the 4 parts to the pass, avoiding the hazards that confront him at every turn – and guide him safely back home!
