

GO
AHEAD-
LOSE YOUR
MARBLES!!!

The game
that drove them
crazy at the arcades
now comes home.
Same exciting game,
play, same blow-away
graphics, sounds and
music.

SPECTACULAR ANIMATION
Fantastic 3-D realism in the
raceways, along the danger zone!
enemies await you every turn. Avoid
the deadly snipers and the pounding
marble bunnies out for your
Marble bunnies, even surf
a mechanical wave.

ULTIMATE COMPETITION for 1 or 2 players.
The object is simple: take your marble to the goal line, and don't
let anything get in your way. Sounds easy, but it just might drive you nuts.

INTERSE ACTION
Marble Madness offers the
ultimate in exciting non-stop action.
It's not easy being a marble, make it
to the finish line, and
you'll learn why.

INCREDIBLE MADNESS
Six different levels of raceways,
each with an original music score.
Every level has its own "personality".
And creates a constantly new
game. Have a blast in the game,
but remember, everything
you know is wrong!

GETTING STARTED

Side 1 contains the game and level 1

Side 2 contains **all** the levels.

When you 'die', rewind to beginning of Side 2 to start at level 1.

CONTROLLING YOUR MARBLE

Marble Madness contains an option that lets you turbocharge your marble. Simply press the joystick button as you steer to give your marble an extra burst of speed.
