

GO AHEAD- LOSE YOUR MARBLES!!!

The game that drove them crazy at the arcades now comes home. Same exciting game-play, same blow-away graphics, sounds and music.

SPECTACULAR ANIMATION
Fantastic 3-D terrains are the raceways. Zany (but dangerous) enemies await your every turn. Avoid the deadly Steeles and the pounding hammers. Watch out for the hungry Marble Munchers, even surf a mechanical wave.

A unique game experience that's crazy fun for everyone. Two players race to the goal line, or one player races against the clock. It's sports competition, kinetics and strategy.

ULTIMATE COMPETITION for 1 or 2 players. The object's simple. Race your marble to the goal line, and don't let anything get in your way. It sounds easy, but it just might drive you nuts.

INTENSE ACTION
Marble Madness offers the ultimate in exciting non-stop action. It's not easy being a marble, and to the Ultimate Race and you'll learn why.
