LOADING INSTRUCTIONS

Insert tape into the tape player, ensuring it's fully rewound to the start of side A. Holding down the SHIFT key, press RUN/STOP. Now press PLAY on your tape player - the game will load and run automatically. Mayhem in Monsterland is a multiload game, so follow all on-screen instructions to play.

PROTECTION

Before the game starts, you will be given a co-ordinate and asked to enter a code. Using the protection sheet enclosed, look up the grid reference and enter the relevant 5-digit code.
