METRO CROSS™

Are you the
one in a million who can
think in microseconds not minutes?

... If you are, Metrocross is the challenge that's been designed to inspire you, if you're not then you'd better fast improve your skill and co-ordination. A chequered floor riddled with potholes, a barrage of obstacles that hinder your progress and no go areas that bring you to a standstill make this race against time increasingly impossible. But not everything is against you. Springboards are primed to catapult you forward and a speeding skateboard waits ready to hurtle you along that desperate rush to the finish line.
If you beat the clock the first time there's no guarantee you'll not be flattened at the next level.
