The Orb Of Celestial Harmony

MOEBIUS

Master The Orient

Adventure through a complex Oriental world of magic, mysticism and intrigue.

Evil has befallen the island kingdom of Khantun: the Orb of Celestial Harmony has been stolen, causing earthquakes, droughts and other natural disasters. As the newest disciple of Moebius the Windwalker you have been chosen to recover the Orb and free the people from rebel rule.

Battle through the realms of Earth, Water, Air and Fire. Brilliantly animated combat scenes will test your martial arts and swordsmanship skills every step of the way. Wise use of sophisticated magic systems is essential to overcome a fearsome array of enemies, including ninja-like assassins, rebel guards and wild animals.

Villagers can help, but the wrong approach will frighten them away, leaving you in a world where starvation looms ever-present. Go east to experience a new dimension in fantasy role playing.
