MOON PATROL*

The world's most popular video games can be yours to play at home, now that Atari makes them for the Commodore 64. And the possibilities don't stop there. More compatible software will be available soon from ATARISOFT, including educational, management and productivity programs.

Atari currently offers the following games on Commodore 64 computers: Joust, Jungle Hunt, Moon Patrol, Pole Position, Ms. PAC-MAN, Battlezone, and Galaxian. And there's much more to come!

**WANTED:
HOTSHOTS TO
TROUBLESHOOT
ON MOON.**

THE THRILL OF THE ARCADE GAME

Applications being accepted for replacement gunners in high-risk job. Hostile environment. Road conditions nonexistent due to meteor and crater hazards. Small native population of killer plants also reported. Quick reflexes, marksmanship and driving skill a must. Bonuses for UFOs and enemy tanks. Recognition for valor. Volunteers only.

Requires Commodore 64 computer and joysticks.
