CHEESY CONSPIRACY THREATENS MOON!!

Crime has hit preposterous proportions in prohibition plagued Chicago. Green cheese is still being sold on the black market by the tonne.

Heavies hanging out down town today threaten that the new super cop Murray Mouse has no chance in stopping the rise of the Mouse Mafia. The last untouchable : Elephant Ness they boasted was scarred off straight away.

Astronomers discovery that the moon is actually made of cheese lead to hopes among the community of an end to the cheese barons monopoly. Fears however are now spreading about the moon's safety.

Mafia boss MOUSE MALONE when interviewed today at the Kit Kat Club had no comment about last weeks rumoured attempts to steal the moon. Fifi the Mafia Man's bimbo moll said nothing.

Murray Mouse Super Cop explained "I am going to clean this town up and stop any illegal cheese thefts. Any attempt to steal the moon and sell it on the black market as cheese will be stopped".

When asked to pose for a picture for the Express Murray just grinned "CHEESE!"
