MYTH

HISTORY IN THE MAKING

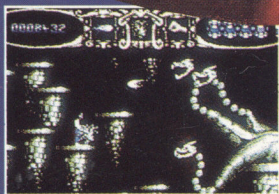

You are taken far, far back in time to confront the evil God Dameron, who has taken control and is changing good Gods to bad. He is upsetting our past our future and our destiny.

Myths are no longer theory myth is reality.

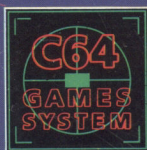

Your adventure takes you through the mythological eras of time, to stop the spread of evil, to question the judgement of the Gods, to call the bluff of the demons and to set the record straight.

Myth is no longer part of the imagination.

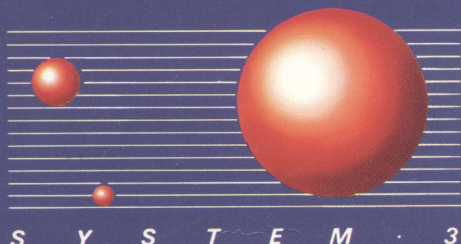

Myth is **HISTORY IN THE MAKING ...**
